

A warm hello to you all

It can hardly believe that the 2010 INDABA, South Africa's premier travel trade show, is again 'on the doorstep' being hosted at the Albert Luthuli Convention Centre, Durban between 8 – 11th May. Jennifer Howard (Create-a-Tour) has kindly advised that she is travelling down to 'Sharks' country and offering 'a seat in her car'. Should there be anyone interested in taking up the offer of a 'lift' -please do get in touch with her directly – and thank you for your kindness Jenny! To all of you who will be participating/exhibiting, have safe journeys and may you be rewarded with great business/opportunities for your efforts! Good luck!

The second reason for this communication is to thank all members who have paid their 2010 membership fees. To those of you who have not yet done so – please may we ask that you attend to this as soon as possible. As you all know, our funds do not amount to great sums of money and since we need to do some forward planning for the year, arrangements can only be planned and finalised once all outstanding funds have been received.

Should you have any queries, please contact Wendy our MT secretary on **083 6000 898** or e-mail her at wendy.sandilands@bytes.co.za and you will competently be assisted.

And finally and **MOST IMPORTANTLY**, an invitation has been extended to all MT members to attend the

Gallagher Avenue hosted **TOMORROW, Friday 30th APRIL**, commencing at 17h00. They apologise for the lateness of the invite. However, in true MT spirit – please try and support their celebration and kindly RSVP Mandy on gm@midrandexecutivehotel.co.za or ring her on (011) 021 9115. We look forward to seeing many of you there!

Updated news/information on the TEP workshops will be coming your way soon so please do watch this space.

In the meantime kind regards to you all

Marlene
